## Warren Tech Middle School Tour

Parents/Guardians of 8th Grade Students,

Every year Ken Caryl Middle School joins other Jefferson County middle schools in touring our districts technical education facility, Warren Tech High School. Our tour is scheduled for September 30, 2019 from 10:45am to 1:45pm. **Students will need to bring a sack lunch.** In preparation for this field trip we need ALL 8<sup>th</sup> grade students to return the Warren Tech Field Trip Permission slip to their social studies teacher by the end of the school day on September 27<sup>th</sup>. The \$3.00 Warren Tech Field Trip Fee was added to school fees in August and can be paid online under student fees in Jeffco Connect. Additionally, we are looking for 10-15 parent volunteers to chaperone. Please email [Mark.Stenbeck@jeffco.k12.co.us](mailto:Mark.Stenbeck@jeffco.k12.co.us) if you would like to volunteer as a chaperone.

Warren Tech is an extension of every Jefferson County high school and offers academic, career and technical training and education in 28 different programs. These programs prepare high school students with academic, career and technical skills for college, employment and potential careers. Most students at Warren Tech are high school juniors and seniors; students must be 16 in order to attend. Programs range in length from two to four semesters. Credits earned at Warren Tech count toward high school graduation credits and qualify as academic and elective credits under the Colorado Commission on Higher Education College admission requirements. Most of Warren Tech's

programs also provide the opportunity for students to earn college credit through the Colorado Community College System.

It is recommended that interested students talk to their counselors early in their high school careers regarding attending Warren Tech. Careful course planning will ensure that students can meet high school graduation requirements and also take advantage of Warren Tech's opportunities.

We look forward to providing this opportunity for your child.

Sincerely,

8th Grade Teachers, Counselors, and Administration

Please complete the permission slip below.
