homeroom teacher by:

Student Choice: Year-Long Elective Classes

Students can choose to opt into one of the year-long electives listed below. This class will take the place of an exploratory class each trimester. **These classes are a full-year commitment and students cannot be removed from these courses after registration or mid-year.**

Students may select one year-long class. Priority is given to 7th and 8th grade students, though we try to accommodate all student requests. If you are wanting more than one of the classes listed below, please rank all of those you are interested in.

_____ **Beginning Band:** No previous band experience required.

_____ **Band:** This course is for students with at least one full-year of previous instruction on a band instrument.

_____ **Beginning Orchestra:** No previous string instrument experience required.

_____ **Orchestra:** This course is for students with at least one full-year of previous instruction on a string instrument.

_____ **Choir**

In an effort to provide a complete middle school experience, student's schedules will be filled with computer generated exploratory classes. Each trimester students will have two exploratory classes. Exploratory classes may include, but are not limited to: Computers, Family & Consumer Sciences, Physical Education, STEM and Visual Arts. *Students cannot choose to opt in or out of these classes.*

To be filled out by your 5th grade teacher:

Teacher recommendations are acknowledged, but are not the only tool used in placing students. KCMS uses multiple measures to determine the appropriate placement of 6th grade math students.

Current 5th grade math curriculum being taught to student:

Math 5 _____ Math 6 _____ Math 7 _____ Math 7/8 _____

Current math grade: _____

6th grade math recommendation (5th grade teacher, please initial next to your recommendation):

Math 6 _____ Math 7* _____ Math 8* _____ Algebra I* _____

**Any student recommended for above grade level math placement must take a math placement test.*

The test will be given on Saturday, April 4, 2020 @ Ken Caryl Middle School from 9am-12pm. No pre-registration is necessary. Please have your student at Ken Caryl between 9:00 a.m. and 11:00 a.m. Students need to bring their District Chromebook, fully charged.
